

Speedy Auto Loan Approvals at Very Affordable Rates Now Here in Waterloo

New Car Canada guarantees a 24-hour car loan approval to car buyers in Waterloo regardless of credit

Waterloo, Ontario - March 31, 2017. Car buyers in Waterloo now have something to get excited about as New Car Canada is offering an **instant auto loan approval** for up to \$40,000 worth of financing. The company currently has the fastest online approval process in the region. Everyone is welcome to apply, whether you have good credit, no credit or poor credit. The company specializes on poor credit auto financing which gives bad credit car buyers a chance to own the car that they need and fix their credit at the same time. If you are worried about credit card debt, they also have a debt consolidation option where you can roll over your existing debt into an auto loan term at a much affordable interest rate. [Learn more](#) about their offers so you'll know where you stand.

Free to Apply Online

You can apply for FREE at New Car Canada online using your laptop, tablet or even using your mobile phone. The application process is **simple and fast**. As long as you have a **monthly salary of at least \$1,800** and a valid driver's license, you are sure to get approved. Once you're done, you can immediately browse their gallery that contains over 5,000 different vehicles. Pick any type and brand you want. You can even request for a car quote without any charge. New Car Canada has a very strong network of dealership partners across Ontario that can easily give you anything you're looking for. With New Car Canada, getting approved for an auto loan is simple, convenient and best of all, free of charge.

City of Waterloo

Alongside Cambridge and Kitchener, Waterloo is part of a government initiative called **Canada Technology Triangle**. Collectively, the three are known as the Tri-City. Needless to say, Waterloo has a strong technology core and is home to some of the world's reputable companies in the field, namely- Blackberry, Descartes Systems Group and Maplesoft. The city also has recreational facilities, art galleries and other popular attractions. It features parks and trails where people can enjoy hiking and weekend picnics with friends and families. Although it has its own public transportation system, getting around town is easier and faster if you have your own ride. Being a car owner in Waterloo definitely is a great advantage.

New Car Canada

Don't settle for an expensive auto loan just because they told you so. New Car Canada is a reliable lender that offers **affordable car loan options** to any car buyer in need. They have very minimal requirements so that you still qualify for an approval even with terrible credit. Apply online today - <http://www.newcarcanada.ca/waterloo> - and get approved without paying anything. It is FREE to apply, and you can cancel anytime you want at no cost.
