

ZeekINighthawk: I'm lost. As of right now, it's not a joint kingdom then unless..ri decides otherwise?

MrsStarrNightHawk: Joint kingdom?

ZeekINighthawk: You and Pawpaw then ri and her guy.

MrsStarrNightHawk: Her husband has no say

ZeekINighthawk: ri does? I'm sorry-it really did confuse me.

MrsStarrNightHawk: It wouldnt be fair to give her no control at all when she helped start the Empire.

ZeekINighthawk: So she's family, not an ally?

MrsStarrNightHawk: She's my twin

ZeekINighthawk: I know. However siblings can be allies to one another and rule different areas.

MrsStarrNightHawk: She's been a coempress to me as we call it...we pretty much have been a queendom

ZeekINighthawk: But you're also not with her truly.

ZeekINighthawk: You're with Pawpaw.

Guest_Liamlynn: mother, dont stress

ZeekINighthawk: Not trying to argue, hun.

Guest_Liamlynn: id appreciate it if you didnt call me hun.

ZeekINighthawk: I wasn't.

MrsStarrNightHawk: Yes I am with your father, Zeek. But it still wouldnt be fair to take her say so away like that....

MrsStarrNightHawk: It would cause more problems than helping

ZeekINighthawk: I'm not saying that. I'm just confused to high Hell.

ZeekINighthawk: Placing her as an adviser would still give her say more so than an ally.

ZeekINighthawk: I'm not looking to take any positions away; I simply seek to clarify everything so this doesn't happen again.

MrsStarrNightHawk: I'd help better if my mind was clear but its not.... The fighting with my dad was bad enough

Guest_Liamlynn: wether it happens or not it should be discussed with the head holders of this kindom being mother fther and ri

Guest_Liamlynn: father*

Guest_Artamista73: NYAA

ZeekINighthawk: However, it was just discussed that Starr and Pawpaw were married. So wouldn't they be the 'high holders' with ri being able to help influence what occurs?

Guest_Artamista73: master >W<

MrsStarrNightHawk: Yes pet?

Guest_Artamista73: I live XD

MrsStarrNightHawk: Hai I see you live lol

Guest_Liamlynn: Mother and Ri built it along with father. meaning mother has the final word

Guest_Artamista73: sprocket is a lazy boner

MrsStarrNightHawk: He still hasnt surfaced?

Guest_Liamlynn: her judgement stands unless she hands it over to the next in command

ZeekINighthawk: That's what I'm trying to see-what the chain of command is. From Starr herself.

Guest_Artamista73: He just lazing in bed

ZeekINighthawk: The recruitment has it's command-everyone must agree.

Guest_Liamlynn: thats would be ri

ZeekINighthawk: I will reiterate: from Starr herself.

Guest_Liamlynn: father takes care of guards

Guest_Liamlynn: he builds the wall while we build the family

Guest_Liamlynn: makes sence now?

Guest_Liamlynn: correct me if im wrong mother

ZeekINighthawk: I'm sorry Liam, but you are not Starr and she is the one I need to hear say whatever it is that needs to be said on this.

Guest_Liamlynn: im clarifying. you seem to not understand

ZeekINighthawk: You are not the one to clarify.

Guest_Liamlynn: mother hasnt objected

ZeekINighthawk: She is also in another room.

Guest_Liamlynn: im sure she keeps up

ZeekINighthawk: I will reiterate yet again: Starr is the one that needs to clarify my questions; not anyone else.

MrsStarrNightHawk: Please do not fight....

ZeekINighthawk: Not to be difficult. This is how I operate and I am trying to decrease future stress.

Guest_Artamista73: There will not be not fighting or people will be kick do you understand.

ZeekINighthawk: I am still soley speaking to Starr for clarification.
