

- You have been defeated

Battle summary

Round 1:

Left side attacks first

Using a forbidden technique, lord12 projects himself into the very mind of gxix. lord12 traps gxix in vicious howling winds, ensnaring gxix`s senses while attempting to seal his power. Upholding the intense illusion until the power is sealed greatly wears down lord12`s mental fortitude.

lord12's offensive capability will be increased each round during the next 2 rounds
lord12's willpower will be decreased each round during the next 2 rounds
lord12 deals 223522 wind damage to gxix

Right side attacks second

gxix releases energy in a violent cascade, changing the very air around him to summon what appears to be a wall of ice. In rapid succession gigantic chunks of ice that could break the bones of a giant hurtle towards lord12 at breakneck speeds.

lord12's speed will be decreased each round during the next 2 rounds
gxix's offensive capability will be increased each round during the next 1 rounds
gxix deals 214650 ice damage to lord12
gxix's bloodline effects could not be sealed.

Round 2:

Left side attacks first

gxix's mind becomes cloudy and his vision completely blacks out. Haunting visions of a large-scale battle replace what was the battlefield just moments ago. lord12 stands firm in the center of a massacre, as hulking monstrosities scythe down shinobi who all look eerily familiar to gxix, who sinks into the blood-soaked swamp with each casualty.

lord12's defensive capability will be increased each round during the next 2 rounds
gxix will receive residual damage for 2 rounds
lord12 deals 205488 damage to gxix
Genjutsu offense was increased.
Willpower was reduced.
Speed was reduced.

Right side attacks second

gxix focuses for half a second, activating a myriad of symbols upon his breastplate. The carapace then seems to come alive, growing and granting gxix eyes as black as the night. The armor manifests the users will as reality, crushing lord12 into the ground with an invisible inexorable force.

gxix's intelligence will be increased each round during the next 2 rounds
gxix's defensive capability will be increased each round during the next 2 rounds
gxix deals 242820 damage to lord12
gxix loses 19827.7596 health from residual damage
Ninjutsu offense was increased.

Round 3:

Right side attacks first

gxix focuses for half a second, activating a myriad of symbols upon his breastplate. The carapace then seems to come alive, growing and granting gxix eyes as black as the night. The armor manifests the users will as reality, crushing lord12 into the ground with an invisible inexorable force.

gxix loses 21070.7288 health from residual damage

Intelligence was increased.

Taijutsu defense was increased.

Ninjutsu defense was increased.

Genjutsu defense was increased.

Weapon defense was increased.

Ninjutsu offense was increased.

Round 6:

Right side attacks first

Taking out a long, thin piece of wire, gxix creates a circular superconducting coil. By

sending a massive amount of electrical chakra into the loop, gxix is able to fire a single heavy projectile, which rips through lord12 at impossible speeds, leaving them with massive bleeding and rendering them utterly incapable of attacking properly, but also leaving gxix`s body wrecked by the backlash.

lord12's offensive capability will be decreased each round during the next 2 rounds

lord12 will receive residual damage for 3 rounds

gxix's speed will be decreased each round during the next 2 rounds

gxix deals 232972 lightning damage to lord12

gxix loses 31626.4256 health from residual damage

Ninjutsu offense was increased.

Left side attacks second

gxix`s mind becomes cloudy and his vision completely blacks out. Haunting visions of a large-scale battle replace what was the battlefield just moments ago. lord12 stands firm in the center of a massacre, as hulking monstrosities scythe down shinobi who all look eerily familiar to gxix, who sinks into the blood-soaked swamp with each casualty.

lord12 loses 2231.75486 health from residual lightning damage

Genjutsu offense was increased.

Willpower was reduced.

Speed was reduced.

Taijutsu defense was increased.

Ninjutsu defense was increased.

Genjutsu defense was increased.

Weapon defense was increased.

Speed was reduced.

Round 7:

Left side attacks first

lord12 creates unusual handsigns, forcibly making his opponents believe they are all within a strange, dark cave. As they feel their nerves decline, lord12 smirks and stomps on the ground, creating a loud sound and cracks which forces the ground beneath them to collapse, reforming around lord12`s opponents to create prisons of pitch-black sand. lord12 gazes down on the tombs, draining the energy from the captives as the illusion withers away.

lord12's defensive capability will be increased each round during the next 2 rounds

lord12 will receive healing in the following 3 rounds

lord12 deals 156632 earth damage to gxix

lord12 heals 25000 health

lord12 can not be stunned for the next 2 rounds

lord12 loses 3347.63229 health from residual lightning damage
