

Hi there,

As a new MadPea blogger, you're entitled to a free game HUD for our game Sinister Slaughters. We'd love it if you'd play the game and blog some photos along the way - but please don't spoil the ending. :)

More info on the game and how to play: <http://www.madpeagames.com/sinister-slaughters-play/>

To claim your HUD visit the starting area (also the SLURL you should use in any post credits): <http://maps.secondlife.com/secondlife/MadPea/111/70/2665>

Click on the HUD vendor and your free copy will be delivered.

Check the MadPea Bloggers group notices for the Mystery Psychic gacha pack. These are items that you can blog, and there are rares in the set that will help you a lot when you play the game!

Let me know if you have any questions or encounter any problems!

Thanks,

Chu
