

## The “Me” in Me

### **ROMAJI:**

Atashi no naka no yowamushi wa

Kotae shiranai no de, sagashite tsuzukeru no wa

Ahh...

Atashi no naka no nakimushi wa  
Itsumo tazunete “Doushite sonzai suru kana?”  
Kotae kikoentakute, sagashite tsuzukeru no wa

Ahh, Moving on  
I’m Moving on  
Oh Yeah, yeah  
Moving on  
Moving on  
Moving on  
Woah, woah

Keep moving on  
Keep moving on  
Until the moments gone

Keep moving on  
Keep moving on  
Until the moments go-

Atashi no naka no tomodachi wa  
Nagusamete kurete “Anata wa hitori ja nai”  
Kotae mitsukechatte, atashi no naka ni iru no

*“Ai” love you too*

Ahh...

Atashi no tame no  
Futari wa onaji da yo

Moving on  
Moving on  
Moving on  
Woah, woah. woah

**ENGLISH:**

The coward in me  
Softly mutters out “Why am I living?”  
Because I don’t know the answer, I continue searching

Ahh...

The crybaby in me  
Is always asking “Why do I exist?”  
I don’t hear an answer, so I continue searching

Ahh, Moving on  
I’m Moving on  
Oh Yeah, yeah  
Moving on  
Moving on  
Moving on  
Woah, woah

Keep moving on  
Keep moving on  
Until the moments gone

Keep moving on  
Keep moving on  
Until the moments go-

The friend inside me  
Comforts me “You are not alone”

I've found the answer, it lives within me

"Ai" love you too

Ahh...

It's for you

It's for me

We two are the same

Moving on

Moving on

Moving on

Woah, woah. woah
