

TRADE LIST

I've been collecting CD's for a couple of decades, since then my collection has grown considerably, and now I need to downsize my collection to gain more space at home and make some money.

All my CD's are in very good condition, complete and fully playable.

I will try to keep this list updated.

I ship from FL, USA 

⚠️ You can check the SALE titles here: <https://justpaste.it/1iz8d>
