

100% VEGAN AND DAIRE Free CHEESE by VIOLIFE Meals

Welcome to the wonderful globe of Violife! We have been an exceptionally satisfied bunch of foodies based within the stunning environment of Thessalonica in Greece. [vegan cheese usa](#)

We've been focused to making amazing tasting, 100% vegan non-dairy, non GMO foods because the 90s and we've been proud and humbled for being a favourite brand name for so many Vegans, Vegetarians and Flexitarians close to the planet.

Veganism was born outside of a need to be in harmony with all the animals along with the ecosystem even though becoming fantastic to ourselves. But we realize there are other factors why people might be in search of a dairy free choice to cheese, like allergies or intolerances. Which is why our products are no cost of anything at all awful or troublesome. We're committed to generating actually superior foo, Harmless meals, Clean up food stuff, Authentic food stuff, 100% Vegan Food stuff without having compromise.

All our plant-based foodstuff are no cost from frequent allergens lactose and gluten in addition as currently being soy and nut no cost. [vegan cheese usa](#) We understand the stress of finding a product or service you like only to find that it'll exacerbate your allergy, intolerance or condition. Our foodstuff are safe for the people with lactose intolerance, gluten intolerance, nut intolerance, soy intolerance or coeliac disease. All goods are kosher and halal.
