

## How to get Simoleon, endless money, move objects, free houses, disable death, eliminate censorship with the censorship patch for The Sims 4 PC!

Available [Sims Mobile Cheats](#) and **codes for The Sims Mobile** . For the first time it is possible to disable Sims' death, a similar function to aging disabled in **The Sims 3** , only that in 4 they continue to grow! The [Sims Mobile Guide](#) and codes to be inserted in the console are related to the American version of the game but also work on the Italian! Even in this version of the game it will be possible to obtain **infinite money** simoleons , disable effects, reset the sims and even avoid them to die. And this is only the first part of the [sims mobile simcash cheats](#) for **The Sims 4** that you will always find on this page constantly updated!
