

How Long Does the Gaggia Classic Pro Last?

The **Gaggia Classic Pro** is known for its durability and high-quality build, often lasting 10+ years with proper care. This [espresso machine](#) is designed with commercial-grade components, like its chrome-plated brass portafilter and brew group, ensuring long-lasting performance. Regular maintenance, such as descaling, cleaning the group head, and replacing seals, can help extend its lifespan, keeping it brewing delicious espresso for years to come.

Invest in the **Espresso Machine** from [Cerini Coffee and Gifts](#)—a long-term companion for your coffee journey!
