

## Best Designed Chemical Capes By Salonwear

The chemical capes designed by Salonwear are user-friendly and come with snap closure that are simple to adjust for a better fit around the neck. The snaps are spaced 1 inch apart for maximum adjustability. These [chemical capes](#) may be wrapped easily around the neck and provide total general protection against color, hair chemicals, shampoo, water, and other agents that may stain clothing.

SALONWEAR

## SALONWEAR - MULTI-PURPOSE HAIRCUTTING CAPE

*Salonwear is a leading supplier  
of high-quality haircutting cape*

### OUTSTANDING MATERIAL

The Salonwear haircutting cape is made with high-quality fabric materials. It is a soft and smooth salon cape that will not irritate your customers' skin.

### WATER-RESISTANT

Because of its lightweight, static-proof, and water-resistant material, it is very easy to manage and utilize. It is very simple to maintain and dries rapidly.

### REUSABLE

The salon cape is reusable and may be wiped down, machine washed on warm, or dry-cleaned. We recommend hanging it to dry naturally.

### CONVENIENT DESIGN

The hair cape's design is user-friendly, with velcro to quickly modify the elasticity for

better-fitting neck closure.
