[Dover White Marble](#) is no doubt one of Antolini's finest and most stylish exclusive marbles. The most notable feature of this magnificent natural stone is indeed the combination of liquid shapes which create vibrant and unique designs in each slab without ever becoming irritating. A steady but erratic flow of grey, as well as milky-white tones, creates the impression of being on a soft and fluffy exterior. Dover White's elegant trends and warm colors illuminate every room, making it suitable for all domestic applications.

## Why Should Our Homeowners Choose Dover White for Their Kitchen?

According to a marble supplier, Dover White is among the best-selling marble variants for flooring and wall cladding. Furthermore, it is asserted that Dover White is in high demand among the brand's clientele, and for good reason. To begin with, Dover White provides an impressive durability factor as well as aesthetic appeal when used for marble flooring. The slabs have unusual vein designs and the color seems to be the result of a distinctive combination of greyish and milky-white tones. It gives the impression to the beholder that surfaces or walls wrapped in Dover White marble seem to be soft and fluffy!

In this context, it is time to look at some useful tips for keeping the Dover White marble floors throughout your home white and sparkly for years to come.

### **Rugs or Doormats Should always be Placed - Marble Surface:**

Rugs should be placed in high-traffic areas of your home. As a result, the dust on your shoes or the soles of your footwear would not leave minute scratch marks on your home's marble surfaces. Doormats can also be placed at entrances to prevent debris and dirt particles from outside from scratching and destroying the Dover White marble surface areas in your home.

## **Cleaning the Dust off of the Dover Marble Surfaces and Why?**

[Marble](#) is a long-lasting natural stone, but it can lose its luster if dust is not removed from marble-wrapped surfaces on a daily basis. Dust, on the other hand, is composed of tiny abrasives that are primarily tiny pieces of solid matter. If you end up leaving a marble-wrapped surface with dust layers for an extended period of time, you will notice etching marks, scratches, as well as scuffs once you finally decide to clean it. As a result, to keep your Dover White marble-wrapped surface areas looking new for decades, make sure to clean the dust off all marble-wrapped surfaces throughout your home every day.

## **Beautiful White Marble on Living Room Wall:**

Well, a more latest wall design that has become popular is marble design. This design not just to makes your home look beautiful, but it can also make your home look more luxurious. So, in order to properly apply this one design, take a look at some of the inspirations for marble walls that can create a luxurious interior in your home.

White marble as just a wall inside the living room could indeed make the space appear more luxurious. You can hang this white marble just on the wall or simply lean against it. Finish the corner with a stainless steel or chrome showcase table, mirror, and additional decorations.
