

Most Famous Travel Destinations in Thailand

Travelers that are traveling to Thailand can select from lots of wonderful travel destinations. There are many beautiful Thai islands that they are able to select and various form of travel destinations like Bangkok and Chiang Mai.

Tourists can pick to visit the North of Thailand which has beautiful mountains, magnificent plants and creatures and unique hill tribes. Those travelers that have a desire to get a nice relaxing beach holiday can pick to be at one of the popular Thai holiday destinations including Phuket, Pattaya, Hua Hin or Koh Samui.

Thailand has something to offer to any or all travelers which explains why Thailand is really as ideal tourist destination. If you need help out with deciding where in Thailand you must spend your vacation then make sure you look at the following 5 hottest travel destinations in Thailand.

Bangkok. Bangkok will be the capital of Thailand and almost all travelers gonna Thailand will move through this popular Thai travel destination. Although Bangkok includes a bad reputation as a result of bad traffic problems and also the pollution, Bangkok is unquestionably one destination where every traveler should spend a few days in their go to Thailand. Bangkok has lots of great attractions for example beautiful Buddhist temples, many different spectacular departmental stores and unique activities like the floating market.

Phuket. Just about the most visited travel destinations in Thailand is Phuket. This popular

island is certainly the biggest island in Thailand and Phuket has numerous attractions to offer its visitors. Beaches on Phuket are among the most breathtaking beaches in Thailand and there are plenty of excellent Phuket beach resorts from which travelers can select. Many travelers decide to visit Phuket on a break because of the world famous Phuket nightlife along with the many great Phuket bars. Other popular sightseeing attractions on Phuket include the Phuket Fantasea Show, the Simon Cabaret Show not to mention several world class courses. A number of different airlines offer multiple flights each day in one with the Bangkok airports to Phuket Air-port.

Pattaya. Pattaya could be the beach resort area which can be closest located to Bangkok which is why many local Bangkok residents visit Pattaya during weekends. The shore at Pattaya is actually not very impressive as opposed to beaches available on Phuket or Samui however the beach isn't the primary good reason that Pattaya is probably the hottest travel destinations in Thailand. The greatest attraction for a lot of visitors is certainly the lively nightlife which can be found in Pattaya. There are millions of beer bars along with other kind of Pattaya nightlife venues where tourists can mingle using the lovely Thai girls that be employed in these establishments. The fastest method to reach Pattaya from Bangkok is simply by car. A taxi from Bangkok to Pattaya will cost you around 1200 THB.

Samui. Samui is a beautiful isle which is located off of the northeastern of Thailand. The beaches on Samui are more beautiful then those seen on Phuket. The most used Samui beaches are all located about the colonial of Koh Samui and therefore are Chaweng beach, Lamai beach and Big Buddha beach. If you are looking for any resort area on Samui that provides a lot of activities and plenty of nightlife venues then be sure you book a hotel or resort in Chaweng beach. Both Thai Airways and Bangkok Airways offer several daily flights from Bangkok to Samui.
