Today is a big day for you my sweet girl. It's your first day of school and I can hardly believe just how quickly time has flown by. It seems like just yesterday you were a tiny baby in my arms and now **you're starting this exciting new chapter in your life.** As you head off to school today, I want you to know how proud of you I am. **You are smart, kind, and brave,** and I know **you're going to do great things.** I'm excited to see all the amazing things you'll learn and all the wonderful friends you'll make. I also want you to know that no matter what happens, **I will always be here for you.** If you ever feel scared or unsure, just **remember that you are loved and supported.** You can always come home to me with and **I will do my very best to help you.** I hope you have a wonderful first day of school, my sweet girl. Remember to [be kind, work hard, and have fun.](#) I can't wait to hear all about your adventures when you get home.
