

Esco Bar Disposables

[Esco Bar Disposables:](#)

The Fume disposables that Vape Guys supply in the market usually have 2500 disposable puffs. These feature a mesh coil that helps in quality flavour production. The manufacturers design the bars in a separate locations. These comprise a robust 1000 mah battery. The capacity level is 6 ml, and the devices have a rugged metal alumina container. Consuming Escobar can be dangerous for people who have allergies to nicotine.
