About Our Swimming Pool Repair Company

Based in Western Sydney, Perfect Pool Glaze specialise in the resurfacing, restoration, and repair of fibreglass and concrete pools, spas, ponds, water features, and tanks.

The team at Perfect Pool Glaze are Sydney's leading pool renovations professionals. We offer a wide variety of swimming pool maintenance and pool restoration services throughout Sydney and Statewide.

Our aim is to supply a cost-effective alternative to replacing or removing your swimming pool. We have advanced expertise in concrete and fibreglass pool renovations. We use the latest techniques, the best technology, and quality coatings to guarantee you a cheaper and longer lasting option.

Swimming Pool Refurbishment & Fibreglassing

The benefit of having your pool fibreglassed is that it becomes low maintenance, is non-abrasive and smooth to the touch, is watertight, and does not let algae or black spots grow. It can be applied to any shape or size pool with great ease and has a long-lasting interior that can be changed to suit any environment or any colour scheme.

We are called in by clients for fibreglass pool repairs and consistently show our ability to contribute advice and assist them to substantially improve the appearance and condition of their pools. We believe we provide the best concrete pool repairs available in Sydney and our clients are constantly impressed with the outcomes.

It doesn't matter whether your swimming pool is fibreglass or concrete, we will be able to transform your aged and worn out pool making it like new again.

We are able to provide you with a pool resurfacing cost estimate, so you can be sure of your concrete or fibreglass pool resurfacing cost [fibreglass pool repairs](#).
