

Franchise Opportunity

Mail Boxes Etc.

Founded in San Diego, California (U.S.A.) in 1980 Mail Boxes Etc. (“MBE”) has evolved over time into one of the world’s largest international networks of franchised entrepreneurs operating retail-based shipping, logistics, printing, marketing and communications solutions to [franchise business](#) and private customers for [best new franchises](#).

What is a franchise? What is franchising, or a franchisee?

Franchising is an enabling business model which offers small companies the opportunity to grow and prosper in highly competitive environments. To open a franchise, and join a scaled global network with the commitment of an individual business, one will buy a franchise license.

Explore Mail Boxes Etc. franchising opportunities or a [franchise opportunity](#) and bring a proven business concept to your country.
