

Micro Pension Scheme

Micro Pension Scheme

Micro Pension Scheme allows members to contribute to their retirement fund and choose how they want it invested. The best part is that all earnings are tax-free!

Features of Micro Pension

- Contributions are flexible
- A multichannel platform for contributions and withdrawals
- 40% of the contribution is available for withdrawal before retirement while the remaining 60% of the contribution can only be accessed at an old age.
- Contributions are safe and protected through strict regulations.

Benefits of Micro Pension

- Guarantees regular income in old age
- Contributions will grow over time to give the contributor valuable return/income at retirement
- Contributions will be passed on to the designated beneficiary in case of the contributor's death.
