

Best Model Papers of ICSE Boards for Class 7th Chemistry on Extramarks

Class 7 is the stage in every student's life where they are into the process of their thinking development. The more they feel curious about something the more they ask, the more they ask the more they know, the more they know the more they understand. And when the case is of a subject like chemistry, then the basic knowledge should be understood thoroughly and clearly. Chemistry is one of the toughest subjects usually many students feel. The complications of it sometimes maybe because of its concept, maybe sometimes because of some topics, or maybe sometimes because of some tricky terminologies which students don't use in their day to day life. The names of elements, chemical reactions and many more often confuse them. In this case, a true guide and tutor and mentor like Extramarks is very necessary to be around those students and help them to learn them all by heart and not to mug them just to get rid of them once, because if students learn them easily at this stage then they can use this knowledge throughout in higher studies and get top marks.
