

## **Statement on the Raids of Confronting the American-Kurdish Alliance**

Praise Be to Allah and Peace and Blessings are on the Messenger of Allah, and on his family and companions, and his allies

As to what follows:

After the recent blessed conquests that were Granted by Allah Almighty upon the soldiers of the Khilafah in Proud Wilaayat Nainawa; and after the raids of punishment that made the Kurdish Peshmerga and Asayish gangs and militias taste defeat after defeat on all fronts; the slaves of secularism and agents of the Freemasons appealed to their Crusader master, the Black of Washington, to save them from the assaults of the Knights of the Khilafah, who have become very close to conquering their capital (Irbil), and eradicating their malice from the land of Muslim Kurdistan..

So the dog of the Romans thrustured his air force into a new dilemma; and entered into a military pact with the agents of yesterday, the Kurds, to commit the same stupidity that he has not awakened to, even until now! And it seems that this submissive fool forgot or pretended to forget the quagmire of Iraq years ago, in which tens of thousands of crusaders were annihilated and tens of thousands of them were injured with permanent disabilities, not to mention the material losses and financial crises that nearly wiped the United States off the map; and it will disappear by the Permission of the One, the Only, soon at the hands of the Knights of the Khilafah..

And regarding the attack carried out by the Kurdish-Crusader alliance, supported by the US Air Force planes for the last (several) days; by the Favour of Allah Almighty, the mujahideen of the Islamic Khilafah were able to repel them from all sides; and forced the enemy to retreat from the areas controlled by the (Islamic) State after (the enemy) suffered heavy losses in lives and equipment; and there is no truth to what was circulated by the satellite channels of lies and deception regarding decline of influence of the (Islamic) State; and that is nothing but a part of the media war

that intends to boost the morale of the collapsing soldiers of the enemy; apart from some simple tactical withdrawals that were carried out by the mujahideen troops to drag the enemy into elaborate ambushes and annihilate them completely; as happened in the Battle of Makhmur, where the Peshmerga were besieged, and the hungry lions of the (Islamic) State wound around them, to kill around 50 and take several of them prisoner, and destroy a large number of their vehicles; and likewise, the pulling out of the mujahideen from Gwer and planting traps, and the (Peshmerga) rats did not dare enter due to the intensity of their panic. Besides these two areas, the (Islamic) State did not withdraw a span's length by the Favour of Allah Alone..

And in Sinjar, the air defence detachments were able to shoot down a helicopter carrying the devil worshipper, the MP Viyan Dakhil, who was injured and her pilot perished. And in the Battle of Mosul Dam, the enemy fled after the immersion of the two martyrdom-seeking brothers (Abu 'Ubaidah Al-Leebi (Libya) and Abu Tameem Al-Maghrebi (Morocco)) with their two VBIED cars into the midst of Peshmerga gatherings, which led to the killing and injury of tens of them. And in Sununu area in Jazirat Al-Mosul, enemy troops were lured to an IED-laden petrol/gas station, which was detonated upon them after they entered it, which led to the death and injury of tens of them. And in the Tell Kayf front, the enemy failed to advance after violent clashes; and in Filfail area, the brothers repelled a failed attempt to enter the area.. As for the mujahideen support detachments, they bombarded tens of barracks and gatherings with various types of mortars and rockets, and the strikes were precise; we ask Allah to destroy (them) and (perfect our) aim..

And so we bring glad tidings to the Islamic Ummah with the conquest (provided by) Allah Almighty and His Care in his slaves the muwahideen (monotheists); and His Victory and Support to the Islamic State; we emphasise that the soldiers of the Khilafah stationed on the gaps (of the battlefields) of Wilaayat Nainawa have decided on the matter and are ready to die; and have pledged to Allah Almighty that the lands of the Muslims will not be defiled by a crusader infidel or a secular Kurd until they pass over their dead bodies..

Allahu Akbar  
Honour, Power, and Glory Belong to Allah, His  
Messenger, and to the believers, but the hypocrites  
know not
