

A Wellness Care Package For Employees

We offer [wellness care packages](#) and programs to increase employee engagement, inclusion, and retention. Over half of American adults suffer from heart disease, the number one cause of death. We developed a heart-friendly wellness package with proceeds benefiting the American Heart Association.

Retain

Imagine 100% Open Rates
✉. Keep the conversation going with a curated one-off or subscription-based CarePackages.

Engage

Wellness Goods &

Experiences- a tangible
and recurring reminder of
your appreciation of your
people to drive
engagement up and help
retention

When you create a culture of wellness,
every employee knows their company cares.
And when employees feel cared for every
day, they do their best work.
