

# What Are The Most Common Causes of Car Crashes?

# WHAT ARE THE MOST COMMON CAUSES OF CAR CRASHES?

Most vehicle accidents are caused by driver error.

This can include traffic infractions such as speeding, failing to yield, and failing to stop at a stop sign or stoplight. However, there are also times when gross driver negligence is to blame. This can include:

## Impaired Driving:

Driving while impaired by either drugs or alcohol is illegal and dangerous.

All too often, drivers are focused on their cell phone screens instead of the roadway.

## Distracted Driving:

At Paulozzi LPA Injury Lawyers, their qualified and experienced Toledo car accident attorneys will work on your behalf to get to work investigating your crash and securing compensation for you.
