Ministry Support and Kenya Mission

Mark Thomas is organising this fundraiser.

Created 24 June 2016 | Missions, Faith & Church

Hi friends, it's Mark from England. I am the person responsible for the www.end-times-prophecy.org ministry, which includes many other websites, like www.signs-of-end-times.com. This online ministry has been spreading the gospel message for over 12 years throughout the world. But as I see the day of the Lord's return approaching, I am looking to push this ministry forward to reach even more people for the kingdom. So if you are able, please consider supporting this ministry. There are two choices for you to donate to the Lord's work. You can either donate money to help support this online ministry. Or you can donate money towards our Kenya mission.

KENYA MISSION:

Through this ministry, I have built up relationships with brothers and sisters in Jesus Christ in various countries.

One of those relationships I have built, is with a brother in Christ in Kenya, called James. I have known James now for six years. James lives near Keroka town in Kenya and is an Adventist evangelist, who teaches in accordance with the Bible and historical Adventism. I have created three angels messages booklets and tracts which James is getting printed and then distributing around Kenya, reaching thousands with present truth. But we also have another project on the go.

We have funded the building of a small sanitarium/church, which James uses to help people with health issues and also share the gospel and health message with them. The building is also being used as a church each Sabbath day, whereby dozens of people are now gathering each week to worship the Lord.

But there is much more to do with this mission. The building still needs more work and equipment. And we are continuing to print thousands of three angels message booklets and tracts to distribute. I have many pictures of James distributing these booklets we are printing if anyone would like to see some. And also pictures of the building so far.

You can donate to support this online ministry, or the Kenya mission both through this single donate page. Please just state where you want your money to go to if you donate.

So how will your donations be spent? All of your donations will go towards the Lord's work, apart from basic bills that need paying to support this ministry. I do not make a single penny or cent from this work.

So how do the funds get to Kenya? I have already personally been supplying funds to James for the past 6 years. And James receives the money via a very secure transfer through Western Union. James is the only one who is able to collect this money, due to tight security in place and also the blessing and protection of God Himself.

Will you help further and FINISH God's work?

Thank you for your consideration and God bless you.

If you have any questions, please feel free to email me through my website email at: info@end-times-prophecy.org

Hello people, this too is me Sean Hross, and my genuine android account, with which I usually comment, as it's easier to sit down with that little gadget and reply your mails; I'll show its authenticity in the next video to confirm, so you can more clearly distinguish between me and those evil cyber criminals.
