

# Welcome to post-reality: Apple will now fake your eye contact in FaceTime

[Welcome to post-reality: Apple will now fake your eye contact in FaceTime](#)

[Fast Company](#) • July 3, 2019, 1:00 pm

In its new iOS 13 update to FaceTime, Apple is experimenting with altering your face so it looks like you're looking directly at the other person. The eyes are the windows to the soul. But in iOS...

[The Bottle Cap Challenge now has an official champion, and it's not John Mayer](#)

[Fast Company](#) • July 3, 2019, 1:00 pm

That is one sick kick. Social media challenges are a mixed bag. They can make you dance with your friends, fear for your children's very souls, or lament not having your life together enough to have...

[This app makes it easy to take seriously good Fourth of July firework photos on your iPhone](#)

[Fast Company](#) • July 3, 2019, 1:49 pm

Finally, get FOMO inducing fireworks photos. If you have ever tried to capture the magic of a Fourth of July fireworks display, you will know this to be true: iPhones are great for a lot of things,...

[I tried 3 brands of frozen fish sticks and the winner was crunchy and delicious](#)

[Feedburner](#) • July 2, 2019, 3:03 am

Kristin Salaky We tried three brands of frozen fish sticks. We tried Gorton's, Mrs. Paul's, and Natural Sea. In the end, we liked Gorton's best. Visit INSIDER's homepage for more stories. Fish...

[Soon nearly a third of US consumers will regularly make payments with their voice](#)

[Feedburner](#) • July 2, 2019, 3:04 am

This is a preview of a research report from Business Insider Intelligence, Business Insider's premium research service. Click here to learn more. BI Intelligence A revolution in payments and banking...
