

## BMW launches iX electric SUV in India, priced at Rs 1.16 cr

BMW launched its technology flagship all-electric SUV iX in India at an introductory price of Rs 1.16 crore, first of three electric vehicles that it plans to drive in the country in the next 6 months

German luxury carmaker BMW on Monday launched its technology flagship all-electric SUV iX in India at an introductory price of Rs 1.16 crore, the first of the three electric vehicles that it plans to drive in the country in the next 6 months.

The car will be imported to India as a completely built-up unit (CBU) and can be booked through BMW dealerships across major metropolitan cities in the country as well as [shop.bmw.in](https://shop.bmw.in), BMW Group India said in a statement.

Deliveries will start by the beginning of April 2022, it added...[read more](#)
