

ULTRA LUXURY LIVING IN THE HEART OF NOIDA

Central Noida is located close to Delhi Metro Blue Line expansion towards Noida Electronic City. With several new properties in this area, these localities have attained fame among homebuyers willing to invest here. These areas have modest public transport, connectivity to the shopping centres, daily markets, restaurants, schools & institutions, hospitals, banks, etc. with adequate social and physical infrastructure. Most of the projects here are huge housing societies which are independent and have all amenities inside. These areas also lie in Noida's vicinity, including many shopping malls and metro connectivity, making these areas more engaging for investors and end-users.
