

Why is Jodhpur Referred to as the Blue City?

This colour becomes also associated with Lord Shiva of whom many Brahmins are fans.

A wide variety of homes inside the antique vicinity of Jodhpur city had been colored blue to differentiate among the Brahmins and different castes and to portray the superiority of Brahmins.

Later, however, each house was painted in the equal hue just to give the message of equality. As a brought plus, it enables to settle down the houses during the scorching summers of Jodhpur whilst the most temperature reaches as much as 50 diploma Celsius.

Another principle is that the blue coloration keeps the termites away.
You can take your select on the reason.

The vintage town of Jodhpur is located around the Mehrangarh fort and there was a time whilst the view from citadel confirmed a sea of blue houses.

Not anymore.

wants to know more do check out [cab in Jodhpur](#) is the best way to explore jodhpur.
