Cyril Kuhn's outlook!

Cyril Kuhn has worked in Astrophotography for 5 years & 8 months. Cyril Kuhn has worked in Astrophotography as Astro Photographer in Various Creative Assignments. In Cyril Kuhn's own words, this is how Cyril Kuhn got into Astrophotography: **"After completing my bachelors degree, I took a year off and in that time I decided to be a photographer. I did diploma in Photography from Light and Life Academy, Ooty. After completing my photography course I have been working as a freelance photographer for the last 3 years."** Cyril Kuhn has a [profile in Resume 2.0](#) format on: <https://www.lifepage.in/page/cyrilkuhn>

Career Video on Astrophotography

In a video, Cyril Kuhn has talked about various aspects of a Career in Astrophotography. Cyril Kuhn started by explaining Astrophotography as: ***"Astrophotography is a specialized type of photography for recording photos of astronomical objects, celestial events, and large areas of the night sky."*** I watched the full video and I absolutely loved it.

We all know that only 10% of what is taught in Astrophotography is actually used in real life. The education section of the video clearly explained what is the 10% needed in Astrophotography. Cyril Kuhn touches upon these in the Education section of the Video:

- Arts
- Camera Functions
- Basic Math
- Astronomy

Skills and success goes hand in hand. One needs to get a hold of essential skills.

Cyril Kuhn then explains why these Skills are essential for a Career in Astrophotography:

- Creativity
- Patience
- Story Telling
- Planning
- Editing

Positives of any Career motivate one to work hard for the same.

Cyril Kuhn believes that the following are some of the Positives of a Career in Astrophotography:

- Travel
- Respect and Recognition
- Close to Nature

Challenges are the other side of Positives and this Career is no exception.

And, Cyril Kuhn believes that one needs to prepare for following Challenges of a Career in Astrophotography:

- Weather Conditions
- Safety
- Light Pollution

- Fear of Dark

In the final section of the video Cyril Kuhn talks about How a day goes in a Career in Astrophotography. This video is by far the best video on a Career in Astrophotography, that I have ever come across.
