The colleges, universities, and professional schools market report provides in-depth analysis of the impact of COVID-19 on the global colleges, universities, and professional schools industry along with revised market numbers due to the effects of the coronavirus and the expected colleges, universities, and professional schools market growth numbers for 2022-2031.

The global colleges, universities, and professional schools market size is expected to grow from \$1.09 trillion in 2021 to \$1.20 trillion in 2022 at a compound annual growth rate (CAGR) of 10.3%. The growth in the market is mainly due to the companies rearranging their operations and recovering from the COVID-19 impact, which had earlier led to restrictive containment measures involving social distancing, remote working, and the closure of commercial activities that resulted in operational challenges. The colleges, universities, and professional schools market is expected to reach \$1.70 trillion in 2026 at a CAGR of 9.1%.
