

Gokarna Beach Trek

Gokarna Beach Trek Trek presents an ideal weekend getaway opportunity from Bangalore, located only an 8-hour drive away from it! People looking for adventure, away from the hustle-bustle from their daily lives - the Gokarna Beach Trek caters to their needs like no other. The trek is different in its texture. It starts with the best of nature, taking you through dense foliage and indigenous flora and fauna, to roaring waterfalls, and beaches and ends back at civilization with an exploration of ancient forts!

The Gokarna Beach Trek, 490 km away from the city of Bangalore, presents to the trekkers an exciting opportunity to explore the best of nature. With the serene views of surroundings teeming with alpine flora like the wild jasmine and indigenous fauna, the trekkers will have the experience of a lifetime, even along the way to their destination - the Gokarna Beach Trek.

During this exciting adventure, you will experience the thrill of camping under the stars, amidst thick foliage, alongside beaches and lush green jungles! Enjoy campfires, sleeping bags and the starlit sky to your heart's content!
