## Baby Push Walker

Established since 2005, PT. Acosta Super Food is a children's toys and baby's needs company. With more than 15 years of experiences, we managed to have a broad market share and a good reputation as one of the best local toys industry in Indonesia. Our commitment is to increase the intelligence and creativity of children in Indonesia so they can grow and develop well at their age.

The happiness when seeing the smile on children's face while using our product motivates us to constantly create new innovations. All our products is already certified by the Indonesian Government's National Standards (SNI), so we guarantee that it's safe to be played by your children. Our mission is that we want to create best quality toys and baby's needs with the most affordable price.

We started making our first educational toys product from play dough under the FUNDOH brand. The first edition products released were FUNDOH Mix 10, Mix 4 and Dream Cake. Until now, we managed to expand our range of products to more than 100 products through our 8 brands, such as FUNDOH, MAGIC SAND, FUNBIKE, NEWBIETECH, HAPPY TRUCK, AIRBALL, NAURA and COTTON. All our products are available in Indonesian Marketplace and Toys Store in Indonesia.

Our company is located at Jalan Raya Serang. 12, Tangerang Regency, and we also has an office in North Jakarta.

In 2019, we started to introduce all our products through Indonesia Official market places, such as Tokopedia, Shopee, Blibli, and Lazada. Supported by good quality management, we also provide an integrated customer service system to ensure that we can immediately respond to every question about our products and also gives information about promotions, sponsorship and many other things.

We set out every day to make the world a bit brighter and happier for your children through our products.
