

UP Assembly polls: Aam Aadmi Party gives 4th guarantee to farmers

UP Assembly polls - The **Aam Aadmi Party** (AAP) has announced its fourth 'Kejriwal Guarantee' under which it said that all farmers' loans will be waived and all cane dues will be cleared within 24 hours of it forming the government.

The party will also be holding its first virtual rally on Friday, addressed by party MP and Uttar Pradesh in-charge Sanjay Singh.

He will be addressing the voters in western Uttar Pradesh where polling will be held in the first two phases.

Singh, while talking to reporters, hit out at the BJP government, saying that it had promised to double the income of farmers but instead, only made farmers suffer.

"AAP has come to sweep away the filth in the state and get farmers their rights. BJP talked about doubling the income of farmers, it talked about increasing the cost of crops but farmers only suffered and died standing in queues for fertilisers. They collapsed under the burden of loans but Prime Minister Narendra Modi did not say a word," Singh said.
