

Agent Provocateur Maîtresse Parfum | Parfumerie Eternelle

Agent Provocateur Maitresse is a fragrance that was released in 2006. Its composition mostly consists of aldehydes, and it opens strongly with the aroma of white ylang-ylang, violet leaves, and white lotus petals. The core is floral in nature with notes of rose, jasmine, and osmanthus. White suede, patchouli, amber, and iris make up the powdery base.
