I find (((Corruption))) MUCH more entertaining, like watching a wolf eat it's own legs. This Tweeter dood up in The Land Of Pure Suicide (((Canada))) is a TRIP! Loads of (((LockDown DOOM Plague Hoax))) analysis! =D

You know, because a more than 99% ADMITTED survival rate is 'such a crisis' =)) There is no 'pandemic'. (((They))) R just using that LIE as an EXCUSE 2 destroy the middle class by shutting down their businesses, & destroying their lives various ways, like arresting you for having guests...

Quote: "Canada: Coronavirus Cops Raid Home After Report of Illegal Gathering (6 People)"

<https://bit.ly/3pllb8W>

And old so-called 'at risk' weak frail goblins pretending 2 think they are gaining some 'special protection' by pimping the (((FakeDoomPlague Hoax))) krap that isn't even dangerous (infinitely less common than heart attack, for example), think again = like being forbidden from visits with your family, or having 2 sue 2 even touch your wife 'because safety'...

<https://bit.ly/3ocFBI1>

None of it has anything to do with 'protection from viruses'. The purpose of the (((LockDowns))) & (((FaceDiapers))) is to DESTROY you, like HARMING your health with 'autoimmune disorder' creating (((Vax))) so the (((Bank\$ters))) & their buddies can \$teal all the wreckage of civilization easier. They are (((Nihilists))).

<https://bit.ly/3hCvNod>

Quote: "And here is the same chart, posted as a case *survival* rates (near 100%). This is why your business / restaurant / community / school / ability to move freely has been impaired."

<https://bit.ly/3oc5eZv>

What's more, the few who do catch a random cold or flu (which the (((Medical Indu\$try))) always falsely labels as 'CoronaPlague') are almost always #FaceDiaper #MaskTards to begin with, proving yet again #MasksDontWork (against tiny \$hit like viruses =))

= #HoaxZombies & #MaskTards

Quote: "Andy Biggs rips mask narrative after CDC report shows 85% of symptomatic people 'often' or 'always' wore masks"

<https://bit.ly/357a5U7>

Which is no surprise, because masks INCREASE the risk of catching colds & flus, because the goo sits there in the fabric 'fermenting' on the #FaceDiaperZombies. Masks don't block viruses, but are used to ruin lifestyle...

Such a terrifying risk, this #PlagueOfEternalDOOM thing, in all it's #InfinitelyNewStrains we must address with #InfinityLockdowns =))

<https://bit.ly/390G0H9>

Quotes: "9/ This chart shows Ontario's overall fatality rate (5.9%, a scary number). But also: fatality rates by age AND outbreak status. We see:

60+ fatality rate: 18.9%, but

60+ in an outbreak setting (i.e. LTC/Retirement): 26.7%

60+ in general population: 8.5% ...

Under 59 Overall Fatality Rate: 0.4%

(With Outbreak and Non-Outbreak fatality rates not materially differing.)"

Note: Kanada iz kold az FRAK, zo iv there's any ware yor #GonnaKachCorona it's an ice box like THAT! & also the (((CDC))) admits is nothing but a generic mild cold virus (& yes every year lots of old & unhealthy people die of colds & flus because we are not immortal creatures, same way tons more die in car wrecks, or or from bad diet.). Becoming #Corona Zombies & #HoaxTards is not a path to a long & healthy life.

Also always keep in mind the #PlagueHoax death stats are absurdly, criminally (((Fraudulently))) inflated (((Lie\$\$\$))) pimped by the (((Media))) & (((CDC))) & (((Medical Indu\$try))) as proven by their 'Fake The Death \$tat\$ 2 Get More Grant\$' ((((\$cam))) mentioned above in "#DeathByCorona" = where (((Medicare Reimbur\$ement\$))) go From \$13,000

<https://dailystormer.su/germany-church-service-shut-down-by-cops/>

"Germany: Church Service Shut Down by Cops ~ It was about masks, goyim. Masks. Don't worry – this isn't the first stage of outlawing Christianity completely in the West. There's something very strange going on here, where the masses of peasants are incapable of grasping that a thing that is done for one purpose could actually be done for another purpose. People really need to get ahold of this concept, because "doing a thing while claiming a purpose, while actually having a totally different purpose" is the defining method through which this elite rules. There is just no reason to give a straight explanation for what you're doing when you can just as easily give a totally different explanation, that sounds more reasonable"

Quote continued (Why write it myself when they sound like MEEE, pretty much =>) ~>
"Boomers in particular have a big time problem with this concept. They will argue back and forth about if coronavirus is real, how dangerous it is, whether the government is lying and to what degree, but they can't ever seem to ask: "are they doing all of this for some purpose other than the purpose they are stating?" I was talking to a boomer who was talking about how in the end times of the Antichrist, they will outlaw Christianity. And I was like: "bro, look around, bro – Christianity is already almost entirely outlawed." And he was like, "you mean because of the lockdowns?" And I was like, "no, not 'because of the lockdowns,' because Jews hate Christ (Note: Not 'christ', but 'white people'. 'Christ' & 'Christianity' & other (((Propaganda))) terms like 'bigotry / racism / injustice / rednecks' or the converse 'equality /

inclusive / tolerance' etc. R all just code 4 (((("K!LLWHITEY!))) =)) & The (((LockDowns))) are just a stupid excuse fed to the goyim ...

"If you read the Book of Revelation (Note: Because the 'only' alternative to 'evil jooz' is a 'noble jew' named Mr. J. = LOL!! How about being HONEST about how NATURe works?

Competition! = YAAAY! =), and find that the government is going to close down churches – what do you picture happening? That they come in and say “I hereby decree that no more should you worship Christ, because we now worship the devil instead”? Nothing is ever that obvious and straightforward. And you were not told it would be obvious and straightforward. What we are seeing, right now, with our own eyes, is that police are raiding churches, and shutting down services. That is happening, right now. They are tearing down statues of Christ. They are claiming that they’re tearing them down because of racial grievances against “White Jesus,” but what is the effect? The effect is, statues of Jesus are being torn down. You need to start looking at the effects, and ignoring these various convoluted explanations, and understand that we are already in a time of outright and public persecution of Christians by a dominant Jewish ruling establishment. This is your life and it is happening now, right in front of you."

Now that (((They))) have weaponized the (((Medical Indu\$try))), Y not weaponize (((P\$ychatry))) as well? =) Quote: "Last month, a California neurologist published a paper claiming that belief in Covid-19 "conspiracy theories" was the result of brain damage and hinting that institutionalization might be the only option for these incurable "patients."

Which makes perfect ((((\$ense))) ~ N E 'Goy' who doesn't go along with having their lifestyle & business & future destroyed & going through an eternal face diaper humiliation ritual & locking themselves down at home away from 'guests & gatherings' is a 'Dangerous Tin Foil Hat Nutter' &/or 'May Already Be Infected With The ETERNAL DOOM PLAGUE!' = just take your pick & LOCK THEM DOWN in a more ((((\$ecure Pri\$on))) behind bars & guards instead of that 'ineffective house arrest' like the rest of the 'useless eaters' =))
