

champions of norrath ps4

What is Champions of Norrath?

As we mentioned before, Champions of Norrath is a traditional role-play action video game that is divided into five acts. This PS2 game is set in the EverQuest universe. This game starts with a quest of helping the elves.

The gameplay of **Champions of Norrath** is also interesting as it comes with traditional hack and slash methods. You need to select appearance, skills, and race during the opening time. When you are fighting with monsters, exploring various places, and purchasing weapons, you have to follow RPG standards.

[Champions of Norrath PC](#) has five types of characters and you can use them throughout the game. Moreover, each character comes with both male and female variants. These characters are:
