The advertisement features a central illustration of a woman in a white top and blue pants walking through a large smartphone screen, carrying a yellow shopping bag. To the left, a laptop, a smartphone, and a tablet display the 'Buy2ebay' website interface, which includes a 'FASHION COLLECTION' banner with 'UP TO 30% OFF', a 'Popular Destinations' section with icons for Baby Accessories, Books, Clothing, and Gifts, and a 'Featured Products' section. The background is a light blue and pink gradient with stylized floral elements. A 'Buy2ebay' logo is positioned above the woman. At the bottom, there are two white rounded rectangular boxes containing contact information: a WhatsApp icon with the number '+91 8300505021' and an email icon with 'support@migrateshop.com' on the left, and the 'Migrateshop' logo and website URL 'www.migrateshop.com' on the right.
