

5 Best Games on Play Store To Fight Lockdown Boredom

Keyword: Android App Review

The coronavirus pandemic has caused great disruption to normal life. Most countries have adopted indefinite lockdowns as the first line of defense against the pandemic.

As people must stay indoors, the experience can be overwhelming at first. Hence it is and there is every possibility of a feeling of incessant boredom. But instead of turning anxious and stressed, it is important to stay active and positive.

And one place which can be a great escape from the lockdown boredom is the Android play store. Here are 5 Android App Games to play with friends and families to spend some healthy

lockdown time.

1. **Ludo King**

The popularity of this game has simply soared during the first few weeks of the lockdown. It is expected to continue in the future too. The positive **Android App Reviews** with 4+ rating truly highlight the love the game has received from all corners.

And worry not, even if you are alone and locked up in another city, the game has an online multiplayer mode. Create your private room, invite friends, and spend some healthy and fun time with your loved ones.

2. **Guess The Gibber**

You might already know about this game if you are on Instagram. The gibberish filter on Instagram has been one of the most popular filters of 2020.

For the uninitiated, the Gibberish game is a language game where you have to figure out the true meaning of seemingly nonsensical words.

Guess The Gibber is rated 4.2 on the play store and is designed to be a fun family game.

3. **Quiz Up**

One of the best trivia app games that you will ever find, Quiz up boasts of 600,000+ questions from over 1,200 topics. You can challenge friends, connect with other online players, and create your quiz as well.

4. **8 Ball Pool**

Arguably the best virtual snooker game, 8 Ball Pool with its many features and game modes is designed to be challenging and fun at the same time. Go through the hundreds of positive [Android App Reviews](#) if you don't believe us.

The game is very intuitive and easy to play. Challenge your friends, join millions of other pool players, participate in tournaments, and brag about your wins.

5. Uno

We can't forget but include the most popular card game. Uno needs no introduction. It's android avatar too is equally intuitive, fun, and engaging. Multiple game modes coupled with similar gameplay and rules mean Uno remains one of the most downloaded games on the play store.

Hope this list was helpful. Are there any other interesting games that you think should be part of the list? Please feel free to share your comments.
