

## Taj Art and Handcrafts?

Anyone here have experience with [Taj Arts and Handcrafts](https://www.etsy.com/listing/956436952/indian-handcrafted-15x15-inche-best) (<https://www.etsy.com/listing/956436952/indian-handcrafted-15x15-inche-best>)? Some of their pieces look interesting, but it's always hard to tell, and reviews from people who have no experience with quality chess pieces aren't that useful!
