

## Visiting Perth City

I was planning to visit Perth city in Australia at my uncle's place to surprise them with my appearance. My uncle once told me that come and visit Australia we will take you on a tour and explore different places. That time my visa was rejected for some reason, but then I tried again and booked a flight ticket from [United Airlines Reservations](#). I started packing my stuff but my luggage was too heavy and I wanted to know the baggage policy of this airline as there is a limitation in luggage weight. So, I contacted United Airlines Reservations and they provided me with all the detailed information without any hassle.

Flying with this airline was a great experience as I received all the facilities and amenities from the staff. Also, I reached Perth on time and was able to meet my uncle and aunt. Then we had dinner and watched a movie together.
