But just like with any of the many options in Facebook pages like Instream Ads, Fan Subscriptions, Instant Articles, and Brand Collab Manager.

You can monetize your page, but right now in the last of 2020, Facebook Group, we can just monetize only with the brand collab manager.

- **What is a brand collab manager?**

Brand Collab Manager is a Facebook monetization tool. Through which we can monetize our Facebook group or Facebook page and earn money.

When the brand club manager tool, your Facebook group will be monetized. Do you have products from companies Or they will get a chance to promote their brand or service in their Facebook group?

When you promote their product Then you will be given money in exchange for promotion.

## How to earn money from Facebook Brand Collab Manager

### ▪ **What should be the eligibility for Facebook group monetization**

Just like it is necessary to have 10,000 followers and 30,000 1-minute talks for the Facebook page.

In the same way, there is some eligibility for monetization of the Facebook group. Only by completing those things can we monetize our group.

#### **eligibility for Facebook Group Monetization**

1. Your group should be public and not private
2. Your group should have 1000 or more members.
3. And there should be no violations of any type in your group and the quality should also be correct in your group.

If you follow all these, then you will monetize your group.

### ▪ **How to know if our Facebook group is eligible for monetization**

If you don't know how to do this check Whether our Facebook group is eligible for monetization and you want to check So you have told me that things have to follow step by step.

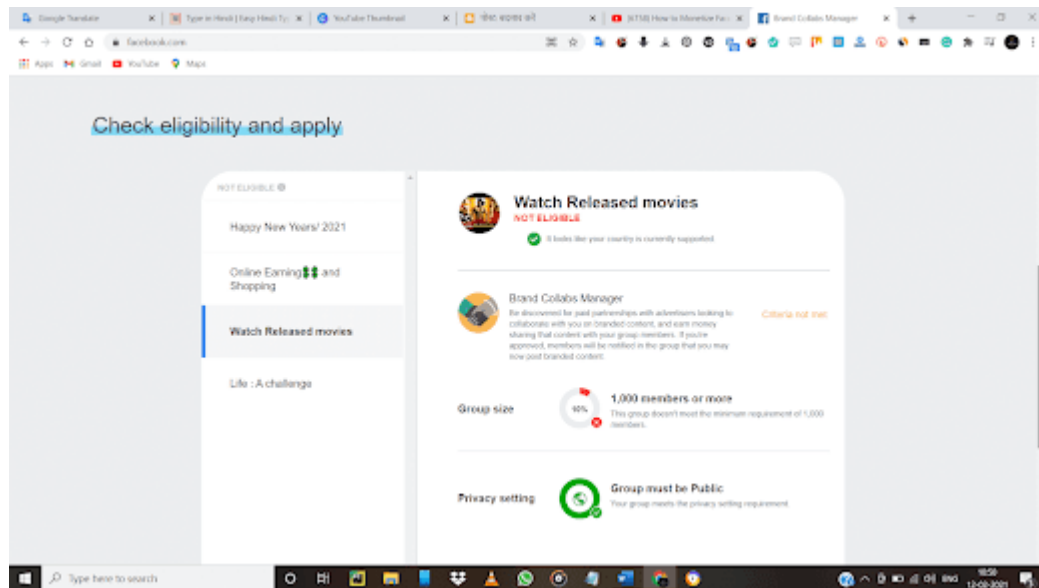

**Step no 1 #** First of all the devices, you are going to check You first log in to the device with a Facebook account.

**Step no 2 #** Once you are logged in, click on the link given to me.

[Click here](#)

**Step no 3 #** After clicking on my given link, some such page will open in front of you In which you will see the option of check eligibility below and you have to click on it.

**Step no 4 #** After clicking in check the eligibility option A new page like this will open in front of you.

## ▪ **How to monetize Facebook groups?**

If you monetize your Facebook group If you want to earn money from it, then you must first complete the monetization criteria of the Facebook group.

And then to monetize your Facebook group, you have to send a request to Facebook, before sending the request, you must check that there is no violation of any policy in your Facebook group.

If you work with all these things in mind, then you will soon monetize your group.

## ▪ **How to make money from Facebook group after monetizing the Facebook group**

If you think that we will make our friends a member of our Facebook group and then monetize the Facebook group and then money will come to us.

Then you are thinking wrong because Facebook will give your **money to promote the product** and when you promote their product in your Facebook group, then you have friends in your group.

Who does not mean anything by all this? Because of which they will not pay any attention to all these. So that your product will not be promoted. And then when you will not be able to promote the product well then why will Facebook give you money.

So you have to bring active members to your Facebook group, which means that you do not bring fake members.

When you bring an active member to your Facebook group, you will not get that much money. You can't think

We have learned how to monetize Facebook groups and earn money. Now we will know that **how to earn money from the Facebook groups without monetizing.**
