

Best Dispensaries for Recreational and Medical Cannabis Customers in California | Purple Star MD

Are you looking for cannabis in San Francisco? Purple Star MD located at 2520 Mission St. in San Francisco has been one of the top dispensaries in the Bay Area for the past eight years. Located in the heart of the Mission District, Purple Star takes pride in being a productive member of the community and serving anyone who is looking for recreational or medical marijuana needs.

Purple Star MD was originally a non-profit medical dispensary that served the city's Mission District community; but with changing times, changed Purple Star. Today it is still known for being compassionate, but now is one of the best dispensaries for recreational and medical cannabis customers in California. Purple Star's exceptional service, wide product selection, and competitive pricing attract consumers from all over the world. They continue to be the ONLY dispensary in San Francisco that continues to offer generous everyday discounts for their patrons. You can find daily deals on their website at www.purplestarmd.com/deals and for veterans, students, seniors, and medical patients, the "always-on" discounts are available every day. To this day, the company's work ethics and values of compassion remain the same. Their goal is to ensure safe cannabis consumption and to educate the benefits of cannabis.

The company is tenured by a management team that strongly believes in building a welcoming retail experience. Their trained staff is available in person or over the phone if you have any questions about their products.

You can browse through their products and brands on www.purplestar.md.com or you can email them at
