

SERVICES - Fine Art Photographic Printing Melbourne - Matte Image

Matte Image is well known for its :

1. Oak rails :- We now produce tassie oak photo rails. Magnets hold these finished oak rails to the top and bottom of any print.
2. Art Mount :- It's ideal for permanent print displays or one off exhibitions where something light is necessary.
3. Acrylic :- Acrylic photo mounts are a stunning way to display your photos as sleek wall art. They're a modern way to display art without the use of a frame.

MATTE IMAGE (SERVICES)

We print, but we also do a couple of other things too.

OAK PHOTO RAILS

We now produce tassie oak photo rails. Magnets hold these finished oak rails to the top and bottom of any print. We use a waxed cotton cord as the hanger.

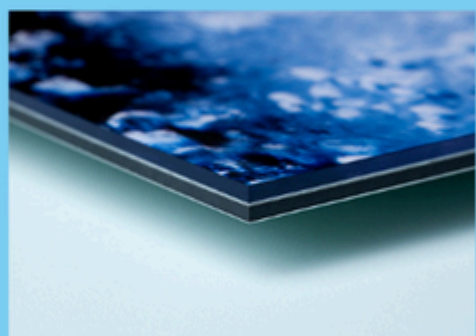

ART MOUNT

Art mount is made from lightweight polyurethane foam. It's ideal for permanent print displays or one off exhibitions where something light is necessary.

ACRYLIC

Acrylic photo mounts are a stunning way to display your photos as sleek wall art. They're a modern way to display art without the

use of a frame.

ARTWORK REPRODUCTIONS

Need your artwork scanned? Yep, we can do that. We'll work hard to match your colours and get them looking as close to the original ..
