

Most Common Travel Destinations in Thailand

Travelers who will be planning a trip to Thailand can pick from a wide variety of wonderful holiday destinations. There are many beautiful Thai islands that they could select as well as other form of holiday destinations including Bangkok and Chiang Mai.

Tourists can pick to visit the North of Thailand which has beautiful mountains, magnificent nature and various hill tribes. Those travelers which have a desire for a nice relaxing beach holiday can pick to stay at about the most Thai travel destinations such as Phuket, Pattaya, Hua Hin or Koh Samui.

Thailand has something to supply to all travelers which is the reason Thailand is definately as ideal tourist destination. If you need aid in deciding where in Thailand you should spend your vacation then make sure you consider the following 5 most widely used holiday destinations in Thailand.

Bangkok. Bangkok could be the capital of Thailand and the majority of travelers gonna Thailand will pass through this popular Thai travel destination. Although Bangkok carries a bad reputation as a result of bad traffic problems as well as the pollution, Bangkok is obviously one destination where every traveler should spend a few days in their visit Thailand. Bangkok has several great attractions such as beautiful Buddhist temples, a number of spectacular stores and various activities like the floating market.

Phuket. The most visited holiday destinations in Thailand is Phuket. This popular island is

actually the biggest island in Thailand and Phuket has lots of attractions to provide its visitors. Beaches on Phuket are some of the most breathtaking beaches in Thailand and you will find a good amount of excellent Phuket beach resorts where travelers can come up. Many travelers choose to visit Phuket on vacation because of the celebrated Phuket nightlife and also the many great Phuket bars. Other popular attractions on Phuket range from the Phuket Fantasea Show, the Simon Cabaret Show not to mention numerous top class courses. Several different airlines offer multiple flights each day from one in the Bangkok airports to Phuket Air port.

Pattaya. Pattaya will be the beach resort area that's closest located to Bangkok which is the reason many local Bangkok residents visit Pattaya during weekends. The shore at Pattaya is really not too impressive in comparison to the beaches seen on Phuket or Samui though the beach isn't primary reasons why Pattaya is probably the hottest holiday destinations in Thailand. The most important attraction for most visitors is actually the lively nightlife available in Pattaya. There are lots of beer bars and other type of Pattaya nightlife venues where tourists can mingle together with the lovely Thai girls that are employed in these establishments. The quickest approach to reach Pattaya from Bangkok is simply by car. Taxis from Bangkok to Pattaya costs around 1200 THB.

Samui. Samui is often a beautiful tropical isle which can be located off the new england of Thailand. Beaches on Samui are even more beautiful then those entirely on Phuket. The most used Samui beaches can be found on the new england of Koh Samui and so are Chaweng beach, Lamai beach and Big Buddha beach. Should you be looking to get a resort area on Samui which provides plenty of activities and plenty of nightlife venues then make sure you book an accommodation or resort in Chaweng beach. Both Thai Airways and Bangkok Airways offer several daily flights from Bangkok to Samui.
