

## 30+ Names That Mean Fear: Common and Unique Monikers – Impeccable Nest

Fear is a powerful emotion that has been ingrained in human nature since the beginning of time. It is a primal instinct that protects us from danger and keeps us alert. It is no surprise then, that fear is often associated with names that carry a powerful and intimidating meaning. In this post, we will explore some of the names that evoke a sense of fear and intimidation.

 **Gorgon:** In Greek mythology, the Gorgons were three sisters with serpentine features and a petrifying gaze. Medusa, the most notorious of the three, was a symbol of fear and terror. The name Gorgon is derived from the Greek word 'gorgós' which means dreadful or terrifying. It is a name that commands respect and instills fear in those who hear it.

 **Mortem:** Derived from the Latin word 'mors' which means death, Mortem is a name that strikes fear in the hearts of many. It is a name often associated with dark and ominous creatures, and is commonly used in horror and fantasy literature. With its strong and foreboding sound, Mortem is a name that represents the ultimate fear - death.

 **Arachne:** In Greek mythology, Arachne was a mortal weaver who boasted of her skills and challenged the goddess Athena. As punishment, she was turned into a spider, forever doomed to weave webs. The name Arachne is derived from the Greek word 'árakhnē' which means spider. It is a name that carries a sense of unease and fear, as spiders are commonly associated with phobias.

 **Drakon:** The name Drakon is derived from the Greek word 'drakōn' which means dragon. In many cultures, dragons are depicted as powerful and fearsome creatures, capable of spreading destruction and chaos. The name Drakon evokes a sense of fear and awe, making it a popular choice for fictional characters and stories.

 **Banshee:** In Irish mythology, the Banshee is a female spirit known for her wailing cry which is believed to foretell death. The name Banshee is derived from -
