

## Achieving a Perfectly Tailored Indo Western Dress with M2M

Indo western dresses are a great amalgamation of western style and Indian patterns, retaining the best elements of both worlds and this fusion gives you a feeling of both, the regal traditional wear and modern sleek western touch. The Indo western tailors expertly incorporate trendy western silhouettes, often making use of traditional Indian fabrics, patterns and embroidery. The Indo western tailors create a beautiful traditional look while retaining a contemporary twist. These dresses can be worn into a number of different looks. Pair them up with gorgeous Indian hand-painted footwear for a glamorous effect, or find the perfect floral print handbag to go with a muted ladies Indo western outfit. Men can match up their Indo western dresses with an appropriate scarf or embroidered shoes. With the tailors in Dubai, M2M you can explore an array of designs in creative cuts and styles, including customised Indo western outfits that are made to fit and bespoke as per personal choices. Taking cues from the clients, our expert Indo western tailors utilise their knowledge and art and deliver the expected. The Indo western tailors at M2M, the best of tailors in Dubai add a panache and verve to the outfits. The base material used by the Indo western tailors is generally brocade, velvet, linen, cotton, satin or silk depending on the customised choice of the client.
