

Value of Custom Trophies

Trophies are important part of human life or we can say a remarkable achievement by a person. When these trophies are especially prepare for an event or for some kind of activities which is mainly for the employees, it is called as customised occasion based trophies.

The corporate sectors invest amount in giving some kind of gifts to their employees and the best option for them is to gift the custom trophies. Trophies are important for showing the true value of an employee in the organisation and that's why it is given in a team or to the individual of different departments.

Trophies are differing in sizes, colours, themes and structures. Glass made trophies are generally gifted in corporate but this trend of custom trophies in the organisation is started from the past few years. Glass trophies are so unique that it shows richness in the material. You can write a special message on the trophy or the name of the employee as it seems love devotion and respect.

The importance of these types of gifts in organisation is increased more day by day because it's a kind of motivation you gave to employees for their betterment and growth.

Now Here We Are Highlighting Some Points That Shows After Giving Custom Trophies To Employees, What Will Be The Effect:

- 1) **BOOST THE MORALE OF EMPLOYEES:** By giving appreciation in a form of trophies or rewards to employees creates the positive outlook towards the organisation. They can work properly by showing their inner potential of doing any work.
- 2) **AS NON-MONETARY INCENTIVES:** Custom trophies are like precious gems when it is given by the top management or by the CEO of the company. Seriously, that moment is just like the feeling of proud.
- 3) **STABILITY:** By giving custom trophies, employees may feel positive towards organisation and feel safe. Like if someone appreciates for our work, our capability or self-confidence increases. So just like trophies, if we give reward surely it will going to be beneficial for the growth of organisation and employees will retain. There stability is for sure!
- 4) **Good relation:** obviously, if we gave rewards automatically it turns out to be in a good relation. Strong bonding is important for long term growth and trophies are the good idea for build up the relation.

Glass Trophies

Glass trophies are becoming increasingly popular for the various award ceremonies due to its elegant and eye catching look. The shiny and crystal-clear reflection of glass can be seen in all directions making the glass more popular material. Now there are tons of designs are
