

Top DJs in India to Rock your Party

We live in a world, where electronic music is as famous as Bollywood / Hollywood music. EDMs have started to play everywhere. Be it a college event, or an Indian wedding, DJs are in high demand everywhere. They are considered as the life of the party and are a must everywhere now. Institutes have started to come up where students are being taught the nuances of electronic music. This is a profession which is being taken up by a lot of people nowadays and is in demand right now. On that note, let us take a look at a few prominent DJs in India.

DJ Azex: A young & prominent [DJ in Bhubaneshwar](#), Azex started his musical journey at the age of 18. Azex had very humble beginnings as he first started playing at private parties. He has taken baby steps in his musical journey and today he performs in major events across India. Azex has come a long way from a typical Odia family to working with stalwarts of the music industry that includes jStar, Milind Gaba, Dj Shadow Dubai, Dj Paroma and many others. Azex holds the credit of co-composing the official track of the 2015 ICC World Cup. He has been making conscious efforts to add a new dimension to Punjabi music and is trying to do his best in this regard.

DJ Happy: Known as the remix king, DJ Happy is a very renowned name in the Indian DJ circuit. He has over 10 years of experience in heart-thumping music which makes him the Best [DJ in Delhi](#). Felicitated as the best DJ in the year 2010, he chooses to lead a very low profile life and shies away from any kind of press conference and media interaction. DJ Happy, back in 2010 released his first album Vol. 1 which got him a lot of appreciation from the entire country. He now grooms young talent trying to pursue electronic music through his academy.

DJ Tanishq: One of the youngest DJ in the country right now, Tanishq Gaikwad thinks that music is a great escape and wishes to pursue his career in electronic music. Tanishq started as a full-time DJ when he was 13, after that there has been no looking back. He always stresses on the fact to give it all and make people happy. International artists such as Shermanology, Progressive Brothers, NDS & Blue, Joshi, and many others have started to watch his work very closely. His dedication has fetched him a lot of fans and followers slowly.

DJ Ravish: 12 years of spinning tunes, DJ Ravish is one of the most prominent and respected DJs in the electronic music industry. He started at a very young age of 17 and plays at prominent music festivals and international events today. Ravish plays a very funky mixture of both Bollywood and EDM keeping in mind the audience that he has and makes sure that everybody dances around to the tunes that he plays. His innovative ways of spinning the disc makes him one of the most wanted [DJ in Jaipur](#).
