The handsomely crafted Rattan Rectangular Pet Bed by Iconic Pet brings luxury to your furry friend's sleeping area and to your home. Perfect for both indoor and outdoor use. The frame is constructed from a powder-coated metal with rattan weaving. The sturdy, hand-woven, pliable palm stems of rattan provide both high quality and durability. The rich UV-inhibitors coated to each string of the rattan minimizes flaking and corrosion due to outdoor use. The sand colored cushion is filled with non-woven fabric and foam for comfort. The polyester water resistant cushion cover has a zipper enclosure for ease of removal to machine wash and easy care maintenance. This stylish, slightly elevated design ensures even support and a comfortable temperature for your beloved pet. The Rattan Rectangular Dog/Cat Pet Bed comes in three sizes, ideal for any size pet from cats and small dogs to large size dogs.
