If your holiday doesn't feel complete without the dog, don't worry. There's no need to leave your four-legged friend behind when you book a break in these pet-friendly holiday destinations, many which have dog-friendly beaches nearby (check local tourist information centre for times and areas). Unleash your dog's sense of adventure and let them bound along the shore, chase a frisbee or paddle in the waves... these pet-friendly places are sure to get tails wagging.
