## UK Tourist Visa

Unless you're an American, Canadian or Australian passport-holder, you have to compulsory apply for a [Tourist Visa to Travel to the UK](#). But don't worry, a standard UK visitor visa from India takes about two weeks to process and contrary to random rumors, it's not difficult to get. As long as you make sure you've got all your UK visa requirements from India in place and, submit all that's been asked for. RADvision Consultants may assist you through their Visa Consultation services.
