

IoT Training Courses Online

Enroll for [IoT \(Internet of Things\) certification training](#) course online offered by Learnow. An E-Learning course to help you understand the fundamentals of IoT.

The banner features a light blue background with a stylized illustration of a person sitting on a stack of books, using a laptop. Another person stands nearby holding a tablet. A rocket is shown launching from the top of the books. The text on the left side of the banner reads: 'IoT (Internet of Things) Certification Training Course', followed by five stars, and 'An E-Learning course to help you understand fundamentals of IoT'. At the bottom left, it lists '6 Days', '24 Hours', and '4 PDUs'.
